---

Opposer, POMWONDERFUL LLC (“Opposer” or “POM”) and Applicant Jarrow Formulas, Inc. (“Jarrow”, together with POM, the “Parties”) collectively file the following motion to extend the deadline to file a [*Proposed*] Protective Order.

When the Parties resumed this case in August 2012, they created today, September 17, 2012 as a deadline by which they were to file [*Proposed*] Protective Order in this case. While an initial draft of the [*Proposed*] Protective Order had been circulated at the start of this action, since the case had been suspended for settlement, the last circulated draft occurred in August 2009. When the proceedings in this action resumed on August 23, 2012, POM circulated a revised version of the [*Proposed*] Protective Order. Counsel for both parties have been diligently working through drafts of a joint [*Proposed*] Protective Order but have been unable to agree on two principal issues regarding the designation of certain documents and the individuals permitted to review such documents.

The parties have met and conferred several times regarding the outstanding issues and request that the Board extend the time to file a joint [*Proposed*] Protective Order to Friday,

September 21, 2012 to enable the parties to continue to attempt to resolve the outstanding issues.

Counsel for POM, Danielle M. Criona, has discussed this Motion with counsel for Jarrow Formulas, Inc., David Ewen, and Jarrow Formulas, Inc. consents to this Motion.

Date: September 17, 2012

Respectfully Submitted,

POM WONDERFUL LLC
